

Living Faith [E]

[Default Arrangement] by Bobby Gilles and Brooks Ritter

VERSE

E

Mistaken souls that dream of Heaven

C#m

And make their empty boast

F#m

Of inwards joys and sins forgiven

Am

While slaves to greed and lust

Vain is the will of mortal men If faith is cold and dead
None but a living power unites To Christ the living head

CHORUS

E

Pray for a living faith

G#m

That leads us to trust this grace

A

Am

We cannot come to God on our own.

E

A faith that truly sees

G#m

That drives us to bended knee

A

Am

Looking for hope in the cross of Christ alone.

VERSE

True faith will purify the soul and Faith will work by love,
It forces sinful thoughts to go and lifts our minds above,
This faith will conquer earth and hell by God 's celestial power, This is the grace that
will prevail In the decisive hour.

CHORUS

End on **Chorus** chords

It takes every breath to God alone, it takes every breath to God alone
