

Crippled Soul

Rebecca Dennison

1

C^m **G^m**
Oh, my crippled soul
C^m **G^m**
So broken with my sin
C^m **G^m**
With a nature so depraved
D⁷ **G^m**
I'm so ashamed, so afraid
C^m **G^m**
If I bring it up again
C^m **G^m**
If you really look again
C^m
Will you change your mind
D⁷ **G^m**
And never let me in

Refrain:

C^m **D⁷** **G^m**
O Lord, please do anything but leave me here
C^m **D⁷** **G^m**
Let me run again, or help me fly, Or somehow make it right
C^m **D⁷** **G^m**
But Lord, please don't leave me here

C^m **G^m** **C^m** **G^m**
And I hate what I am - All these things that you despise
C^m **D⁷** **G^m**
The depravity that seems to be - At the core of who I am

So hide me from myself, Let me pretend I'm someone else
Someone with a pure and holy heart

Crippled Soul

2

Is it any wonder then That I should love to fly
Those moments when I touch you And escape all that I am
Is it any wonder then That I should do all that I can
To make it seem like I am whole And worthy

Tell me Lord, what do you want
Do you plan to make me whole
Or leave me broken And bring glory through your grace

Refrain
